

# HACKiStencil:

print, cut out, transfer to cardstock paper, ready for fabric

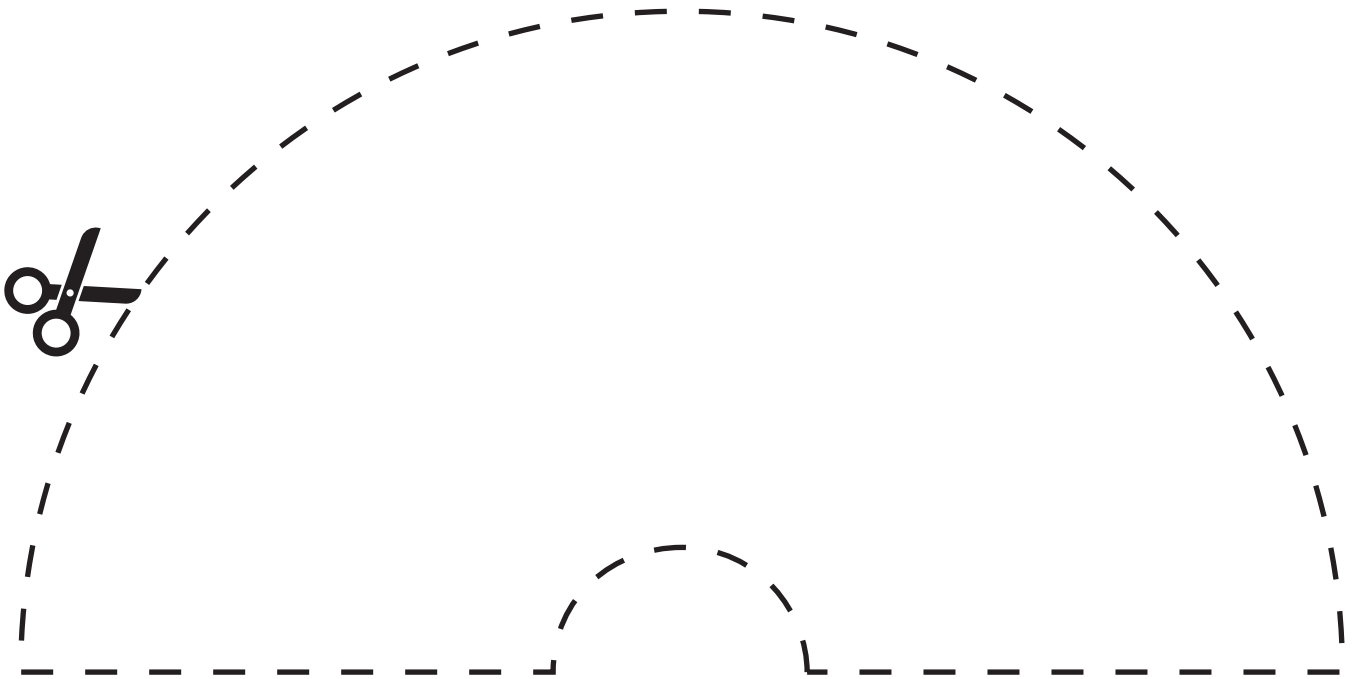

Shows where the two patterns are placed together for the first knot (two different placements for each half, making a "T").

Approximate depth of needle when sewing.

Inner dashed line represents where to fold the fabric it also is the recommended distance between blanket stitching.

Cut along outer line.

## Funnel:

Cut along dashed lines, make into Funnel shape, secure with tape.

Place in Hack opening & fill to desired firmness.

Remove and close up your self-made HACKiDO!

## Congratulations!

Now you know how create your own Ultimate Play Tool!

Gift them to the Playahs in your life and Spred the Joy of Play far and wide!!!
